7 – DRIVER'S MEETING

Attendance to the driver's meeting is compulsory.

These meetings at the secretary, takes place at 14:00 am of Saturday and at 9:00 am of Sunday.

The official schedule time will be communicated.

An attendance sheet will be written and Drivers have to sign it.

According to the timing of the race and exceptionally, the absent driver who would take part of the race and after having paid a basic penalty of 100 € to the FPM will be allowed to benefit a private briefing from the Officer of the Day (OOD). At the end of this briefing the charged driver will be allowed to the race; in case of non-payment means his elimination.

The officials of various Federations are to attend to this briefing which takes place in English.

8 - LAUNCHING

Launching and removal of the boats to/from the water will be carried out by cranes.

Only boats equipped with slings can be launched, but they must have their sticker of conformity to technical controls.

Launching can be done only if the Driver is present, and takes place under his sole responsibility.

FEDERAÇÃO PORTUGUESA DE MOTONÁUTICA

9 - PADDOCK

In accordance with demands formulated in the entry form (length of cars, trailers...), each boat must respect the location it has been given.

Any infraction to this rule will lead to financial penalties.

Since the access to the park is regulated, the Organizers do not endorse any responsibility concerning thefts or accidents.

10 - CARDS

The organizers will give enough passes for each boat.

Children and teenagers under 14 cannot enter the boat park, but are allowed under the responsibility of their parents.

The access to the pontoons is strictly forbidden to minors less than 16 years and only the persons wearing the passes "**assistant/pontoon**" (maximum of two by boat) will be authorized to this access.

11 - TRIAL

Trials are authorized only after technical control of the boat.

Free Practice is authorized on the circuit on:

Saturday from 15:00 to 16:00

Sunday from 10:00 to 11:00

Mandatory timed trials:

Saturday from 17:00 to 17:45

Timed trials cover 12 laps maximum, all together during 45 minutes

Saturday 18:00 (Top 6)

After the top 6 boats will run 3 additional laps (for the pole position classification, first lap: warm-up, 2 other laps: timed trials)

FEDERAÇÃO PORTUGUESA DE MOTONÁUTICA

12 - RACE

The race will take place on **Sunday (18th of July) at 15:15.**

Championship race: **31 laps = 51,708 km.**

13 - FLAGS

According to U.I.M. rule 304.02, flag signals have the following meaning:

- RED** → stops the race
- YELLOW** → danger on the circuit / slow speed / do not over take
- BLACK** → stops and return to the pit for the driver to whom this signal is meant. It matches with the race number of the boat
- GREEN** → start or free circuit
- BLACK AND WHITE CHECKERED** → finishing line

14 - STARTING PROCEDURE

Starting lights: **Red (on → off).**

Instructions concerning the start will be given during the drivers meeting.

15 - RACE FINISHING

The end of the race signal is indicated by a black and white checkered flag.

Any boat is allowed to leave park without the authorization of a commissioner.

Any violation of this rule would mean the disqualification of the boat.

Boats indicated by the Members of Jury or technical Commissioners are examined on the spot by official Scrutinizers.

16 - RACE NUMBERS

They must be in according with regulation (rule 206.02).

FEDERAÇÃO PORTUGUESA DE MOTONÁUTICA

The race number must also be painted under the safety cell of the boat, at the front end of the tunnel.

The Technical officers will be the test of fuel, through "Digatron system".

Pontoons are only used for starting.

Fuel supply is prohibited on water.

A violation of these regulations would mean the disqualification of the boat by decision of the Race Committee, confirmed by a report from the Commissioners.

18 - REPAIRS

Repairs are authorized when the boat is on the circuit, but only if they are done by the driver, without outside help.

Repairs will also be forbidden at the periphery or on the cranes, under penalty of disqualification.

19 - SAFETY BOATS

Safety boats as well as towing boats carry a **yellow flag**.

20 - TOW BOATS

Boats must be unsinkable (rules 509.02/503.01). If they are not, the recovery is at the expense of their Owners.

Each boat must be equipped with a towing cable, securely attached (minimum diameter 10mm), with a float at the end, to remain visible on water.

This cable must be at least 2 meters long, but no longer than the boat.

FEDERAÇÃO PORTUGUESA DE MOTONÁUTICA

21 – TIME KEEPING

Timing is computerized and will be done by Timekeepers appointed by the Portuguese Powerboat Federation (FPM).

22 – JURY

The Jury consists of a member of each National Authority having Drivers going for each race.

This Jury is conducted by the Delegate of FPM.

The representatives of each Federation are asked to present themselves, with an official accredited letter from their Federation.

The UIM Commissioner is a voting Member of the International Jury.
